## THIS IS A METRIC SERIES

HML products are manufactured using metric dimensions, therefore the size indicated within a unit name, being in inches, will not accurately reflect the exact size of the unit. Any Imperial dimensions that have been used in this book have been converted from the actual metric size and rounded up to the next 1/4". This means that all units will be slightly smaller in width & length than indicated by their model name. For example, an 388-2430RS is indicated as 23.75" x 29.5" in the price book dimension columns and actually measures 23.62" x 29.53".

Imperial dimensions (exact size) are available upon request – a 5% upcharge will apply. To order imperial dimension units, add 'i' in front of the SKU. Order Example: i388-3660CM-B

## Construction

- ♥ 388 Series tops and gables are 1" thick.
- ♥ 600 Series tops are 1½" and gables are 1" thick.
- ♥ Modesty panels are ¾" thick.
- ♥ All are thermally fused laminate on a 45lb industrial particle board core.
- ♥ Leveling glides are standard on all floor models.

**Edge Detail:**

- ♥ Edges: 388 and 600 exposed edges all finished in a matching 2mm edge banding.  
> Banding changes to an alternate Heartwood standard colour are available at no extra charge.
- ♥ 1½" Tops: Fluted top edges are **default for 600 Series. Items WILL BE fluted unless otherwise noted on your PO.** Unfluted, flat edge available at no extra charge.
- ♥ Highlight/shadow/matching strip: Highlight/shadow/matching equivalent strip detail below tops on most components (see chart).

**Corner Module Profile:**

- ♥ Two standard contour profiles are available for corner module tops:
  - **CM** - traditional cutback
  - **RCM** - RADIUS corner module

**NOTE:** Does not apply to Neo-angle wedge. For custom shapes contact customer service.

**Extended Corner Module Profiles:**

- ♥ Four standard contour profiles are available for extended corner module tops at no additional upcharge:
  - **CM** - traditional cutback
  - **\*SCM** - Scooped extended corner module
  - **RCM** - RADIUS extended corner module
  - **JCM** - J extended corner module

To order simply change the suffix accordingly  
> **Ordering Example:** 388-3666CM for standard profile and 388-3666SCM for scooped corner module profile.

For custom shapes contact customer service.

\* We recommend cutback connecting returns to fit best with **SCM shape** units.

**Gable Sets:**

- ♥ Corner modules, extended corner modules and connector tops must be ordered with the required gable set.

- A:** Gable set comes with 2 wide gables
- B:** Gable set comes with 1 wide and 1 narrow gable
- C:** Gable set comes with 2 narrow gables

> **Ordering Example:** 388-2472CT-C

- ♥ Unsupported units over 72" (388 Series) or over 84" (600 Series) require a center support Gable. Add +C to Sku and upcharge of \$198.

> **Ordering Example:** 388-2490CT-B+C

**Modesty Panels:**

- ♥ Flush modesty panels are standard on all corner modules and connector tops.
- ♥ Recessed modesty panels available on request. Standard recess is 2 1/2".  
> **Ordering Example:** (add "R" before unit size) 388-R2442CM-C
- ♥ 30" desks have a 4" recessed MP; 36" desks have a 10" recessed MP.
- ♥ Other components have flush modesty panels unless otherwise noted.
- ♥ All modesty panels are FULL. ½ or ¾ height MP available at no extra charge on most units.

For ½ height modesty add **2** to the Sku:

> **Ordering Example:** 388-3072CT-B2 ( B gable set with ½ height modesty)

For ¾ height modesty add **3** to the Sku:

> **Ordering Example:** 388-3072CT-C3 ( C gable set with ¾ height modesty)

All modesty panels on a component are raised equally. Contact Customer Service if not all modesties are to be raised.

**Grommets:**

Laminate finishes come with different default grommet colours. For alternate colours or custom grommet locations, contact customer service [cs@heartwood.ca](mailto:cs@heartwood.ca)

**Corner Module Profile:**

- ♥ Two standard contour profiles are available for corner module tops:
  - **CM** - traditional cutback
  - **RCM** - Radiused corner module

**NOTE:** Does not apply to Neo-angle wedge. For custom shapes contact customer service.

**Extended Corner Module Profiles:**

- ♥ Four standard contour profiles are available for extended corner module tops at no additional upcharge:
  - **CM** - traditional cutback
  - **\*SCM** - Scooped extended corner module
  - **RCM** - Radiused extended corner module
  - **JCM** - J extended corner module

To order simply change the suffix accordingly  
> **Ordering Example:** LEV-3666CM for standard profile  
LEV-3666SCM for scooped corner module profile.

For custom shapes contact customer service.

\* We recommend cutback connecting returns to fit best with **SCM shape** units.

**Gable Sets:**

- ♥ Corner modules, extended corner modules and connector tops must be ordered with the required gable set.

- A:** Gable set comes with 2 wide gables
- B:** Gable set comes with 1 wide and 1 narrow gable
- C:** Gable set comes with 2 narrow gables

> **Ordering Example:** LEV-2472CT-C

- ♥ Unsupported units over 72" require a center support Gable. Add **+C** to Sku and **\$198** to list price.

> **Ordering Example:** LEV-2490CT-B+C

**Modesty Panels:**

- ♥ Flush modesty panels are standard on all corner modules and connector tops.
- ♥ Recessed modesty panels available on request. Standard recess is 2 1/2".
- > **Ordering Example:** (add "R" before unit size) LEV-R2442CM-C
- ♥ 30" desks have a 4" recessed MP; 36" desks have a 10" recessed MP.
- ♥ Other components have flush modesty panels unless otherwise noted.
- ♥ All modesty panels are FULL. 1/2 or 3/4 height MP available at no extra charge on most units.

For 1/2 height modesty add **2** to the Sku:

> **Ordering Example:** LEV-3072CT-B2 ( B gable set with 1/2 height modesty)

For 3/4 height modesty add **3** to the Sku:

> **Ordering Example:** LEV-3072CT-C3 ( C gable set with 3/4 height modesty)

All modesty panels on a component are raised equally. Contact Customer Service if not all modesties are to be raised.

**Doors:**

- ♥ All cabinets, hutches and wardrobes now include **soft close hinge** doors.
- ♥ Our **NEW** writable / wipeable White Board (WB) laminate is available for door applications.

## Handles

- ♥ LEVELS Series default handle is black/aluminium Bar handles except for Grey Dusk finish which has Scoop - aluminium. Bar handle finish varies according to laminate finish - See Finish Chart [LEV-3](#)
- ♥ Any standard handle style available at no extra charge. Please specify choice if other than Bar.
- ♥ For handle choices see page [ACC 100-3](#).
- ♥ As handle choices are component specific, please clearly indicate your handle choices for each component on your PO. It is possible for different components to have different handle choices on the same PO.
- ♥ All drawers and doors have handles except for hutch doors. Hutch door handles may be added for an up-charge of **\$38** per handle

## Glazed Doors & Panels:

- ♥ All glazed doors and panels consist of an aluminum frame with a 5mm plexiglass panel.
- ♥ The price for aluminum frame glazed doors is an upcharge and must be added to the base price of the unit it goes on. Add **-AGD** and finish choice to base SKU.  
**Example:** LEV-2036C-**AGD-BR**
- ♥ AGD doors are not locking by default, add **-L** to the SKU and upcharge of **\$76**
- ♥ Doors include silver finish, bar handles (except on hutches and overheads which do not need handles).
- ♥ Frames have a natural, brushed aluminum finish.
- ♥ HML AGD doors differ from HDL and will not match if paired together.

|  |            |
|--|------------|
| Plexiglass panels are available in 3 finishes: |            |
| > Clear  | <b>-CL</b> |
| > Frosted                                      | <b>-FR</b> |
| > Bronze                                       | <b>-BR</b> |

Please indicate on your PO which plexi-glass style you would like.

## Locks:

- ♥ All tall cabinet and storage cabinet laminate doors and drawers lock, **except where noted in price book.**
- ♥ Two lock finishes are available (Silver - SL & Black BL) - see default lock finishes in the finishes chart [LEV-3](#). For substitutions, contact Customer Service
- ♥ To add an optional lock to a component or Aluminum Glazed Doors (AGD), add **-L** to the SKU and upcharge of **\$76**
- ♥ Hutch and overhead storage doors do not lock, unless requested. There is a **\$76** upcharge.
- ♥ Core removable locks are standard on all drawer pedestals, lateral files and storage cabinets.
  - > For keyed-alike locks, indicate on your order, which standard units you would like keyed-alike.
  - > Order the appropriate quantity of like numbered cores required at **\$11** each.
- ♥ **Ordering Example:** If you require 3 units to be keyed-alike, **order 100-COREPACK-3 (\$11 X 3 = \$33).**

## Accessories:

- ♥ See 100 Series ([ACC](#)) for a complete list of keyboard trays, pencil drawers, grommets, task lighting, CPU holders, etc
- ♥ Monitor arms are available in Black (BL) and Silver (SL) finish and can be both grommet mounted or clamp mounted.
- ♥ The 100 Series now has expanded options for power and data management. See the new power grommet options Accessories page [100-6](#).

## Custom Sizes:

- ♥ Custom available.....call Customer Service. Please specify quote number when ordering.
- ♥ Custom widths & depths available... For simple changes, use the price of the next model size up.
  - > **Ordering Example:** for the price of a **LEV-2766DS**: Take the price of **the next larger size...LEV-3066DS - \$837**
- ♥ **NOTE:** If doors, drawers or height are involved, or if there is no next size up, please contact Customer Service for a quote.
- ♥ Custom high-pressure laminate available, contact Customer Service for more information [cs@heartwood.ca](mailto:cs@heartwood.ca).

## Shipping:

- ♥ Some items are shipped fully assembled, some are shipped in RTA cartoning.
- ♥ Look for RTA symbol (**RTA**) at each model number.
- ♥ Weights and cubes shown are approximates and based on LEVELS Series.

## High Pressure Laminate:

- ♥ High-pressure finishes are approximations and not exact matches to Heartwood Manufacturing finishes. For more detailed finish information, please see the manufacturer's swatch (corresponding codes provided on HPL swatch card).
- ♥ See [heartwood.ca](http://heartwood.ca) for all available laminate and high pressure laminate finish.
- ♥ For custom high-pressure pressure matches or alternate choices, contact Customer Service for a quote [cs@heartwood.ca](mailto:cs@heartwood.ca)

Reception Series consolidates the numerous reception concepts available at Heartwood Manufacturing into one place.

**Laminate Gallery Reception**

Formerly 388 Gallery, this reception concept presents various configurations of extended laminate backs and gables, giving you the privacy you need where you need it. Gallery tops can be added to create a client transaction space or present a different look.

**Curved Laminate Reception**

Curved reception desks featuring waterfall transaction counters, curved classic gallery desking and specialized desking for height-adjustable.

**Modern Reception**

Reception desk featuring waterfall transaction counters and a two-tone colour design.

**Add-on Laminate Components for Reception**

Service counter and storage concepts when designing your reception workspace.

**Outlines Reception**

Outlines Series is a robust desktop mounted privacy panel series with many applications. The nature of the Outlines Series inherently lends itself to reception workspaces where division is needed between client services and the client. With the numerous design elements encompassed by this series, be sure to find the look that is right for you.

**NOTE:** Information is current at time of print. For up to date information check online at [www.heartwood.ca](http://www.heartwood.ca).

Heartwood's Gallery components are characterized by their extended back and gables making them a natural choice for reception workstations. Almost any 388/600 desking unit can be made into gallery and when coupled with our newly expanded 388/600 storage options, the design choices in Gallery are limitless.

**IT'S SIMPLE, HERE'S HOW IT WORKS**

Heartwood has developed a simple system for identifying RTA (ready-to-assemble) Gallery components. Please take a few minutes to read and familiarize yourself with the instructions below.

- ♥ When ordering RTA Gallery components, all sides must be identified using the following letter codes:
  - > "G" (42" high Tall Back or Tall Gable)
  - > "A" (standard Full Gable for a 29" high unit)
  - > "C" (standard Connecting Gable for a 29" high unit)
  - > "M" (standard Full Modesty Panel for a 29" high unit)

♥ Always indicate the configuration in a clockwise direction, starting from the left, if you were sitting at it.

**EXAMPLES:**

**388-3042CT-AGC**

**388-2448CT-GMA**

**388-2442CM-CGGC**

**388-3048CT-GGG**

**388-3042CT-AGC=**

- > "388-3042CT" (30x42" Gallery Connector) with
- > "A" (standard Full Gable for a 29" high unit) on left with
- > "G" (42" high Tall Back) with
- > "C" (standard Connecting Gable for a 29" high unit) on right

♥ Most standard Connector Tops or Corner Modules can be manufactured in the RTA Gallery style. The only exceptions are Extended Corner Modules, so please use standard Corner Modules and Connector Tops in combination.

♥ We have restricted the length of any connecting unit to 60" to avoid graining conflicts.

♥ Any unit with a "C" gable indicated in the model number will have vertical grain on the Tall Gallery Gables and Backs.

♥ Sizes over 60" are available in non-connecting units. For example, a 388-3072CT-GGG is possible, a 388-3072CT-CGG is not. The retail price list follows these guidelines, so if it's in the price book, you can order it

♥ All specifications for 388/600, as described in the Series Specifications & Descriptions starting page [388-3](#) pertain to the RTA Gallery Series except where there is a Tall Back which is then 1" material. Drawer pedestals etc. should be ordered from the 388/600 series.

♥ Gallery backs can be ordered up to 84" high. Please contact Customer Service for pricing.

- ♥ Solid colour, woodgrain or two-tone combinations available.
- ♥ 600 Series units maintain the same overall gable height as 388 Series units but the desk height worksurface thickness increases by 1/2".
- ♥ 600 Series transaction tops are 1 1/2" and will increase the overall height of Gallery units by 1/2" when added.
- RTA** As you might expect, all RTA Gallery units ship RTA.

**ORDERING GALLERY TOPS FOR LAMINATE CORNER GALLERIES**

- ♥ Gallery Transaction Tops have a 5 7/16" outside and 5 7/16" inside overhang when installed.
- ♥ To get the length of the straight Gallery Top section on either side of the Radius Corner Insert, subtract 12" from the combined unit length on each side.

SEE PLAN VIEW EXAMPLE BELOW:

**PLAN VIEW EXAMPLE**

**SIDE VIEW EXAMPLE**

- > Right side: 42CM + 42CT = 84 - 12 = **388-1272GT**
- > Left side: 30CT + 42CM = 72 - 12 = **388-1260GT**

Heartwood's Outline Series is a stylish panel system which combines either Black (BL) or Aluminium (AL) finish rails and posts with your choice of panel. Add a transaction top to Outlines panels and you now have the perfect reception workstation. Have a specific look in mind....the numerous options available with Outlines are sure to meet your needs!

**For a complete list of Outlines products, please see page OUT- 1 of the Outlines Series in the Heartwood catalogue.**

- ♥ As with the Laminate Gallery options, neo-angle wedges and corner modules are also available on Outlines Series.
- ♥ Available in four panel materials:
  1. Plexiglass (PLX), in 3 styles - Clear (CL), Frosted (FR), or Bronze (BR).
  2. Ribbed Polycarbonate (PYP), which allows light to pass through but obscures visibility.
  3. Laminate (LAP), in 20 standard Heartwood finishes.
  4. Tackboard (TBP), in 12 standard Heartwood fabrics.
- ♥ Transaction tops available in all standard Heartwood Manufacturing finishes.

**NOTE:** Finishes and Fabric swatches can be found on the Heartwood Manufacturing web site at [www.heartwood.ca](http://www.heartwood.ca). Information is current at time of print but for up to date information check online.

- ♥ One Pencil Tray included with every box drawer unit.

### NOTE:

- ♥ All File and Lateral Files drawers are constructed to support hanging file folders. Broken drawer bottoms are not covered by warranty. If you expect to store heavy items, ie phone books, paper etc. on the drawer bottom, we offer an optional 1/2" bottom for these drawers. Please contact Customer Service for pricing.

## Handles

- ♥ Handle changes can be made at no extra charge on units that come standard with handles- refer to **100 Series Accessories (ACC)** page **100-3** for selection details
- ♥ All drawers and doors have handles except for hutch doors. Hutch door handles may be added for an up-charge of **\$38** per handle

## Glazed Doors & Panels

- ♥ All glazed doors and panels consist of an aluminum frame with a 5mm plexiglass panel.
- ♥ The prices shown for aluminum frame glazed doors is an upcharge and must be added to the base price of the unit it goes on.
- ♥ AGD doors are not locking by default, add **-L** to the SKU and upcharge of **\$76**
- ♥ Doors include silver finish, bar handles (except on hutches & overheads with hinged doors which do not need handles).
- ♥ Frames have a natural, brushed aluminum finish.
- ♥ HML AGD doors differ from HDL and will not match if paired together.
- ♥ Plexiglass panels are available in 3 styles:
  - > Clear (CL)
  - > Frosted (FR)
  - > Bronze (BR)

Please indicate on your PO which plexiglass style you would like.

## Locks

**Outlines & Outlines *Plus* Descriptions**

Our popular OUTLINES Series now has even more options available for those looking for the privacy and the workspace division created by privacy panels. OUTLINES *Plus*, Heartwood Manufacturing's newest line of desktop-mounted partition panels, is available in a variety of finishes and offers a great design alternative to our existing OUTLINES system.

**Outlines**

- Post and panel mount design
- Combine widths and panel heights to create continuous panel
- Posts available in black (BL) or aluminium (AL)
- Panels available in plexiglass, laminate, polycarbonate or tack-board panel finishes
- Compatible with Outlines Accessories
- Neo-Angle components
- Outlines hutches

This versatile, desktop-mounted partition system can be used on most new or existing modular workstations, reception areas and office desks. Post and panels are used in combination to create privacy in a desired work space. The design of Outlines allows for the connection of panels in continuous line spanning over larger distances. Optional transaction tops, the ability to stack panels in different finishes and specialized, integrated hutches are key components to our traditional OUTLINES Series.

**Outlines *Plus*** - Simple bracket and panel mount design

- Two mounting bracket options
  - Top Mount (TM1) or Edge Mount (EM1)\*
  - Available in black (BL) or silver (SL)
  - Panels available in plexiglass, laminate or tack board finish
- \*Edge mount panels (EM1) - brackets are installed on the underside of work surface & can be removed without damaging the work surface (repetitive removal & re-attachment not recommended).

Simplicity is the key to Outlines *Plus*! Designed to minimize distractions while still facilitating an open team/ collaborative environment, it is the perfect solution when just that little extra bit of privacy or separation is needed. As with Outlines, Outlines *Plus* can be added to almost any new or existing workspace and is available in either an edge mount or top mount design. The aesthetically pleasing, clean lines of this panel system provide a natural boundary where needed but stops short of the enclosed environment that can be achieved with traditional Outlines.

*Understand the options ....*

**Surface Mounted Health Guard**

- Silver finish steel powder coat support brackets for secure surface mount
- Allows for taller & wider sizing
- 2 minute install
- Default sizing includes 5" high pass through between surface & underside of panel
- Best used for 24" - 48" high protection

**Removable Protective Health Guard**

- Silver finish steel powder coat support brackets for clamp mount & secure connection to ¾" - 1½" laminate surfaces
- Easy removal - no screw holes left on surfaces
- 2 minute install
- Default sizing includes 5" high pass through between surface & underside of panel
- Best used for 24" - 48" high protection

**Freestanding Health Guard**

- Easy to move around & easily removed
- Lowest cost panel option with 30 second install
- Includes pass through cut out (also available without pass through, same price)
- Maximum height of 32" recommended

**Desk Divider Panel with Plexiglass Top**

- Free standing partition for worksurface, includes levelers (improved stability by mounting to underside of worksurface)
- Fits either 24" or 30" tops
- Laminate base available in all standard Heartwood finishes with clear or frosted plexiglass topper
- Easily removed without damaging work surface

**Freestanding Divider Panel with Plexiglass Top**

- Free standing partition panel, includes levelers
- Easy to move around & easily removed
- Laminate panel available in all standard Heartwood finishes with clear or frosted plexiglass topper

**Glass Panel Extensions or Desktop Panels**

- 5mm clear tempered glass panels
- Suitable for installation on HDL's Framework modular panel system or other third party panel system designs
- Suitable for desktop mount design installation
- Maximum height of 22" recommended
- Uses Outlines *Plus* mounting hardware

**High Pressure (HP) laminate available** Contact Customer Service.  
White Board laminate available in ¾" only. Matching 2mm edge banding is not recommended as it may discolour.

**NOTE:** Outlines and Outlines Plus are metric series. If you are ordering to fit on existing imperial sized furniture (exact size), you must state that on your order so that we can convert to fit imperial. All components come supplied with all parts and hardware necessary for installation of the panel system in the field. **Reminder:** to order imperial exact sizing, add "i" in front of SKU's and add 5% price upcharge.

## Posts

- ♥ Sold separately in 5 standard heights: 6", 12", 18", 24" & 36".
- ♥ Available in two finishes – Black (BL) and Aluminum (AL).
- ♥ Mounts easily on the work surface from the top. No need to crawl under the desk.
- ♥ All mounting hardware and positioning templates included.

## Panels

- ♥ Available in four panel materials:
  1. Plexiglass (PLX), in 3 styles - Clear (CL), Frosted (FR), or Bronze (BR).
  2. Ribbed Polycarbonate (PYP), which allows light to pass through but obscures visibility.
  3. Laminate (LAM), in all standard Heartwood finishes.
  4. Tack-board (TBP), in all standard Heartwood fabrics.
- ♥ All four materials are available in 6", 12", 18" & 24" heights to create the level of privacy you require. These interlocking panels can be combined to reach a 36" height. Skus for 6" panel are not listed. For panel pricing use next size up pricing. For one piece 36" panels, please contact Customer Service.
- ♥ Connecting filler panels will be provided upon request. See panel order detail.
- ♥ Polycarbonate, plexiglass, and tack-board panels include aluminum top and bottom rails.
- ♥ Rails are available in two finishes – Black (BL) and Aluminum (AL). Please indicate your preference on your order.
- ♥ Laminate panels are available in all available Heartwood finishes and are finished on the top and bottom edges with matching 2mm edge band.
- ♥ Panels sized to include posts in overall dimension. Please order panels according to work surface/desk size.

## Transaction Tops

- ♥ Order in 1" (OUT1) or 1½" (OUT2) thicknesses to match our 388, 850 and 600 series.
- ♥ They may be ordered in any of Heartwood's laminate finishes except Black (BL) and Graphite (GT) as these two finishes do not perform well in work surface applications.
- ♥ All edges are finished with matching 2mm edge band. Optional, accent banding is available at no extra cost.
- ♥ 1½" tops are fluted, by default, to match 600 series tops. Please indicate on order if you do not require fluting.
- ♥ Transaction tops can be ordered with bullet ends or 1½" radius ends. Contact Customer Service for pricing and sizing information.
- ♥ Send in your drawings and we will be happy to send you a quote.

## Hutches

- ♥ Order standard 24" panels in the 4 available panel styles when a hutch back is required
- ♥ Standard panel lengths can be connected to hutch support posts creating a continuous privacy panel or support for transaction tops
- ♥ Hutch filler panels fit between side hutch support posts providing the privacy of a traditional hutch
- ♥ Laminate and aluminum frame plexiglass hutch doors (AGD) hang below the fixed shelf for easy finger pull and do not come with handles. Handles may be added by request (see page **100-3**) for selection details.
- ♥ Order in 1" (OUT1) or 1½" (OUT2) thicknesses to match our 388, 850 and 600 series tops.
- ♥ Hutches may be ordered in any of Heartwood's laminate finishes.
- ♥ All edges are finished with matching 2mm edge band. Optional, accent banding is available at no extra cost.
- ♥ 1½" tops are fluted, by default, to match 600 series tops. Please indicate on order if you do not require fluting.

## Drawers

- ♥ All drawers are 5 pieces - 4 x 1/2" black sides & 1 x 1/8" black bottom.
- ♥ Handles are standard on all cabinet doors and drawers, see Accessories page **100-3** to make your selection.
- ♥ All box and file drawers mounted on FULL extension ball bearing slides, 100 lb. load rating.
- ♥ Lateral file drawers mounted on FULL extension ball bearing slides, 150 lb. load rating
- ♥ Each file drawer features side rails and adjustable file bars that accommodate front-to-back letter or side to side legal sized hanging folders.
- ♥ One pencil tray included with every box drawer unit.

**NOTE:** All file and lateral file drawers are constructed to support hanging file folders. Broken drawer bottoms are not covered by warranty. If you expect to store heavy items, ie. phone books, paper etc. on the drawer bottom, we offer an optional ½" bottom for these drawers. Please contact Customer Service for pricing.

**Locks**

- ♥ All laminate storage cabinets doors and drawers lock, **except where noted in the price book.**
- ♥ Laminate hutch doors do not lock, unless requested. There is a **\$76** up-charge.
- ♥ To add an optional lock to a component or Aluminum Glazed Doors (AGD), add **-L** to the SKU and upcharge of **\$76**
- ♥ Core removable locks are standard on all drawer pedestals, lateral files and storage cabinets.
  - > For keyed -alike locks, indicate on your order, which standard units you would like keyed-alike.
  - > Order the appropriate quantity of like numbered cores required at **\$11** each.

**Ordering Example:** If you require 3 units to be keyed alike, **order 100-COREPACK-3 (\$11 x 3 = \$33).**

**Optional Boot Shelves:**

- ♥ Tall wardrobe storage & storage cabinets can have an optional boot shelf. Upcharges apply when ordering bootshelf: add **-BS** to product SKU.

> **Ordering Example:** OUT-7036WC-20-BS

## Panel Configuration Overview

### Panels

- ♥ Available in laminate, plexiglass, tack board, or acoustic PET finish
  - Plexiglass (PLX), in 3 styles - Clear (CL), Frosted (FR), or Bronze (BR) with stylish radius corner detailing on the top edge of the panel
  - Laminate (LAP), available in all standard Heartwood finishes with durable matching 2mm edge band on all sides
  - Tack Board (TBP), available in all standard Heartwood Escape fabric finishes
  - Acoustic PET (PET), available Charcoal Grey (CH), Storm Grey (ST), or Tan (TN) with stylish radius corner detailing on the top edge of the panel
- ♥ Panels are available in three heights: 8", 15" or 22"
- ♥ Panels are not compatible with Outlines accessories
- ♥ Heights, bracket styles and finishes can be combined when planning configurations
- ♥ The default installation is inset 2" from the edge of worksurface as shown below

### Top Mount

### Top Mount Brackets & HDL Framework Panels

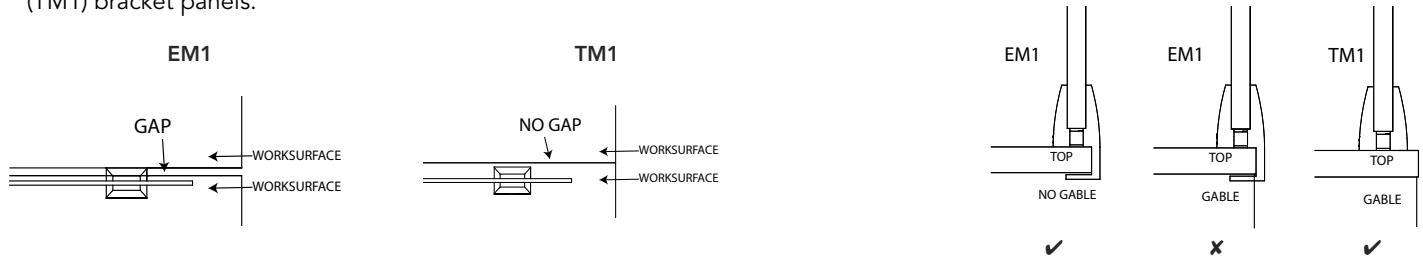

- ♥ Outlines Plus top mount panels can be used with Heartwood Distributors' (HDL) Framework Modular Panel System
- ♥ Top mount bracket mounts through top panel trim of panel into solid core structure
- ♥ Wood/metal screws included (not self tapping metal screws)
- ♥ 1/8" pilot hole is suggested prior to install of panel, drill bit not included. Full details of assembly instructions include mounting details
- ♥ Compatible with 3rd party panels as long as the panels aren't hollow and has something to attach to, we include 1.75" long screws in the package (we cannot warranty product if not compatible with 3rd party panels).

**Edge Mount**

**Notes:**

- ♥ Edge mount (EM1) brackets must be mounted on **1" ONLY** worksurfaces with an edge.
- ♥ For installations where gables or modesty panels are flush to the worksurface top, use top mount (TM1) brackets
- ♥ Top mount brackets and edge mount brackets can not be used in combination on the same panel.
- ♥ When edge mount (EM1) brackets are installed between worksurfaces, there will be a gap. For flush installations, use top mount (TM1) bracket panels.

**FLX**

- ♥ Optional modesty panels are ¾" thick and have square corners.
- ♥ Tops are not pre-drilled unless a base is specified and/or ordered on same purchase order (PO). The only exceptions are height adjustable bases and metal LOOP legs, tops will not be pre-drilled.
- ♥ Tops **1½" thick** are available, contact Customer Service for pricing. use "**FLXS2**" or "**FLX2**" when ordering.
- ♥ To GANG/connect tops together with hardware, HML will drill for end to end connection only on the depth end. If you require ganging on the long /width sides, a **\$83** list upcharge applies and add a 'C' in front of the SKU with this description, add 'custom side to side ganging'. Of note, ganging hardware is included with regular Tucana bases only in the carton (SKU: TU-97L) , all other base applications you must add either FLX-TGH (for Tucana ganging hardware) or TU-98B-TGH (for Tucana ELITE hardware).

**Accessories**

- ♥ Factory installed 2" x 3" Grommet (**\$46** each list) available for FLEX series tops. Location of grommet/s must be specified with order.
- ♥ The 100 Series now has expanded options for power and data management. See the new power grommet available in 100 Series page **100-6**.

**Example:** Flip Top Power Grommets with Data: 100-FTP-DATA  
Flip Top Power Grommets with USB: 100-FTP-USB

- ♥ Monitor arms are available in Black (BL) and Silver (SL) finish and can be both grommet mounted or clamp mounted.  
See 100-9  
Single mount : 100-MA1 or 100-MA1B  
Dual mount: 100-MA2 or 100-MA2B

**Edge Detail**

- ♥ FLEX series table tops are edged with matching 2mm edge band for durability.
- ♥ FLEX series modesty panels are 3/4" thick and edged with a matching 2mm edge band on 4 sides for durability.
- ♥ Banding changes to an alternate Heartwood standard colour are available at no extra charge.

**Custom Sizes**

- ♥ Custom sizes available...contact Customer Service for pricing - please specify quote number when ordering. For simple width changes, use the price of the next model size up.

### Team Power Wall

Modular workspace divider system specifically tailored to the needs of height-adjustable workstations. The integrated electrical wire management channel blends form with function, accommodate individual workflows, all levels of collaboration and different mobility needs. Team up your stations with a power wall.

Sold as 4 or 6 pod configurations with optional 6" or 12" high plexiglass privacy extension. For larger pod configurations, contact customer service for a quote.

**Shown:** TEM-3060PW4-B42-PX12 with Calypso Desks (Sold Separately)

### Team Stations

Modern, open office configurations are ideally suited to teaming stations and at Heartwood Manufacturing we have made the option as easy as possible. This popular desking design allows for a collaborative, space-saving working environment while maintaining a degree of individual privacy.

**Shown:** TEM-REC3060-4

**Shown:** TEM-REC3060-4 with Outlines

### Team Power Line

Power Line is designed to provide useful solutions to power and charging needs in the workspace. Seamlessly integrate power receptacles, USB charging and other power sources are in a daisy chain design that gets power where you need it. Although designed as a teaming station power solution, this design is effective in numerous workstation scenarios.

### Team Study Carrels

The timeless design of the traditional study carrel proves how effective a workspace option it is. Heartwood's Team study carrels are a modern approach to this classic design. Pick your size and team up your study carrels.

# TEAM POWER WALL

## SPECIFICATIONS & DESCRIPTION

Modular workspace divider system specifically tailored to the needs of height-adjustable workstations. The integrated electrical wire management channel blends form with function, accommodate individual workflows, all levels of collaboration and different mobility needs. Team up your stations with a power wall. Sold as 4 or 6 pod configurations with optional 6" or 12" high plexiglass privacy extension. For larger pod configurations, contact customer service for a quote.

### FEATURES

- ♥ Convenient laminate wire management channel with flip-down hinged access door on each station.
- ♥ Wires can be fed through access openings.
- ♥ Add the new multi power bar (100-PB6-USB) to run down the center channel. For additional power requirements, add surface mounted power grommets or clamp-on power onto worksurface and feed into wire management channel.
- ♥ Assembly required.
- ♥ **Work Station size indicates the size of the intended desking unit used with the power wall. For example 72" workstations are designed to work with 72" wide height adjustable desking units. (Heartwood Sizes equal the metric equivalent - standard 72" desk measures 71")** See [Height Adjustable](#).  
Example TEM-2448PW4-B42 is designed to fit 4 sit-to-stand desks 24 x 48 in size

### CONSTRUCTION

- ♥ 1" gables all other parts ¾"
- ♥ Two available gable sets, standard laminate gable height is 42" or 54" high
- ♥ 6" (PX6) or 12" (PX12) plexiglass panel extensions can be added to standard laminate gables
- ♥ Two-tone laminate option available
- ♥ All are thermally fused laminate on a 45lb industrial particleboard core.
- ♥ One centre grommet in laminate wire management channel
- ♥ Channel includes access door with wire slot
- ♥ 12" clearance to underside of wire management channel
- ♥ Leveling glides are standard on all floor models.

### GABLE SETS

- ♥ A gable set - all gables standard height (42" or 54") and equal depth
- ♥ B gable set - inside gables or mate gable is 28" high and 24" deep

### EDGE DETAIL

- ♥ Exposed edges all finished in a matching 2mm edge band.
- ♥ Banding changes to an alternate Heartwood standard colour are available at no extra charge.

### PLEXIGLASS PANELS

- ♥ Plexiglass panels 6" or 12" height – add -PX6 or -PX12 to sku
- ♥ Available plexiglass finishes: **default frosted (FR)** clear (**CL**), or Bronze (**BR**) plexiglass. Please note finish selection on your PO.
- ♥ Plexi to be 1" from gable ends,
- ♥ Plexi to be ¼" from partition ends

### ACCESSORIES

- ♥ Optional tack boards available
  - Tack boards can be installed on both sides of the center divider
  - For current tack board finish options, please see [Heartwood.ca](#) finishes.
- ♥ Optional accessories - power grommets, power bar, wire management etc. are compatible with this series. See [100 Series - Accessories](#)

Modern, open office configurations are ideally suited to teaming stations and at Heartwood Manufacturing we have made the option as easy as possible. This popular desking design allows for a collaborative, space-saving working environment while maintaining a degree of individual privacy.

**FEATURES**

- ♥ Order as 4 or 6 pod stations
- ♥ Seamlessly & easily add Outlines privacy panels for divided workspaces
- ♥ Designed to work with TEAM Power Line integrated electrical solutions

**CONSTRUCTION**

- ♥ 1" tops
- ♥ All are thermally fused laminate on a 45lb industrial particleboard core.
- ♥ One centre grommet in tops
- ♥ Laminate tops are pre-drilled with metal insert nuts for legs

**LEG OPTIONS**

- ♥ Pre-drilled leg options:  
 900-TAPERLEG  
 900-RL2.5  
 900-SQ3 (default)

**NOTE:** Other leg options from Heartwood do not have a shared metal connecting plate which is required when joining tops together. It is recommended that TEAM Stations use the above legs choices only.

**EDGE DETAIL**

- ♥ Exposed edges all finished in a matching 2mm edge band.
- ♥ Banding changes to an alternate Heartwood standard colour are available at no extra charge.

**ORDERING OUTLINES**

Outlines panels come in a variety of sizes and panel materials and can be configured into numerous layout configurations. When planning Outlines for your pod station, consider the following:

1. panel design on the pod layout
2. configuration of panels
3. panel finishes

♥ **Once the above design features are determined, contact customer service with the complete details for a quote (include overall panel heights, panel combinations and all finishes).**

♥ **When TEAM Stations are ordered with Outlines, worksurfaces are pre-drilled for Outlines posts.**

PANEL CONFIGURATIONS

AVAILABLE FINISHES

**Plexiglass (PLX)**, in 3 styles - Clear (CL), Frosted (FR), or Bronze (BR).

**Ribbed Polycarbonate (PYP)**, which allows light to pass through but obscures visibility.

**Laminate (LAM)**, in all standard Heartwood finishes.

**Tack-board (TBP)**, in all standard Heartwood fabrics.

ACCESSORIES

- ♥ Optional accessories - power grommets, power bar, wire management etc. are compatible with this series. See [100 Series - Accessories](#)

## FEATURES

- ♥ Daisy chain power with multiple stations. Best used in benching or training room applications where multiple stations require power
- ♥ Power jumper cables are liquid-tight are hidden and attach underneath the work surface, mounting hardware included
- ♥ For power requirements other than duplex receptacles and USB, add a Heartwood work surface power grommet. For complete power grommet options see [100 Series - Accessories](#)
- ♥ Heartwood will quote all stations to ensure appropriate electrical is ordered. Submit layout drawings to [cs@heartwood.ca](mailto:cs@heartwood.ca) for a quote with desired electrical requirements per station.  
**For example:** Power, Data and USB per station

Data or HDMI Options

## ELECTRICAL SPECIFICATIONS

- ♥ Team Power Line electrical components are CSA/UL Certified
- ♥ Rated for 20 Amps per circuit allowing the use of two circuits (circuit 1 and 2 only).
- ♥ The conductors are 12 AWG with two-line conductors sharing a neutral and a ground
- ♥ Can be wired in both single and three-phase configurations, 240/120V, 208/120V respectively.
- ♥ Can connect up to 13 duplex receptacles per circuit, or a maximum of 26 (15 A) duplex receptacles per power infeed.
- ♥ The actual number of receptacles recommended on a circuit or infeed will vary depending on load requirements.
- ♥ **WIRING REQUIRES PROFESSIONAL ELECTRICAL INSTALLATION (hardwired)**

## TIPS

- ♥ Jumpers are sized 6" narrower than top size as we account for duplex receptacles.  
**For example:** 60" wide tops received 54" jumpers
- ♥ Duplex receptacles are centered on tops
- ♥ For customized grommet locations email Customer Service

## ACCESSORIES

- ♥ Designed to work with TEAM Stations see [TEM -11](#)
- ♥ Optional accessories - power grommets, power bar, wire management etc. are compatible with this series. See [100 Series - Accessories](#)

## WARRANTY

- ♥ 1-year warranty

## Limited Lifetime Warranty - Laminate Office Furniture

Heartwood Manufacturing Ltd. (HML), wishes to assure dealers and customers who purchase our products that they are investing in the best quality furniture available in its class. To this end, any laminate furniture products produced by HML on or after February 1st, 2012 are warranted to be free from defects in materials and workmanship for as long as the original purchaser owns the product. Please refer to our "Limited Lifetime Warranty" document for exceptions. In the unlikely event that any product or component covered by this warranty should fail under normal workplace conditions, as described and limited in this document, HML promises to repair it. If we are unable to repair it, we will replace it with comparable product.

This warranty is limited to manufacturer's defects and will not apply to any products that must be repaired or replaced due to normal wear and tear, negligence, abuse or installation errors. Products that have been modified or altered by others or used for rental purposes are not covered. This warranty covers materials only, labour and shipping costs for repair or replacement are not covered.

Heartwood Manufacturing Ltd. reserves the right to change laminate, fabric and hardware suppliers and, as a result, we do not guarantee the match of colours, grain or hardware to those of existing products.

This warranty, as explained here, is your sole and exclusive remedy. To make a warranty claim, proof of purchase must be presented. Please refer to our Warranty Process document to be certain you have provided all of the information we require to ensure an accurate and speedy resolution.

**Contact Customer Service if you have questions at 1-800-567-3060 or email [cs@heartwood.ca](mailto:cs@heartwood.ca) to make a claim.**

## PREPAID FREIGHT – DAMAGE CLAIMS

### Visible Damage Upon Receipt

1. Inspect each shipment upon receipt. If any external evidence of loss or damage is visible, please note on the freight proof of delivery (ie) DAMAGED CARTON. Failure to adequately describe such external evidence of loss or damage may result in the carrier refusing to honor a damage claim. Please do not refuse damaged freight. This will result in delays in the replacement of the damaged products.
2. All Damaged Items (salvage) must also be stored at the consignee location for the carrier's investigation process. Disposing of salvage will also result in the carrier refusing to honor a damage claim. Domestic freight claim investigations may take from 90 - 120 days.
3. Advise Customer Service within 14 days upon receipt to initiate the warranty replacement and the freight claim processes. A copy of the freight proof of delivery, reference to order #, item(s) missing or damaged, and pictures will be advantageous when submitting a claim.

### Concealed Loss Or Damage

Concealed loss or damage is loss or damage that does not become apparent until the merchandise has been unpacked.

1. When loss is discovered upon unpacking - immediately make a written request via email to Customer Service. Communicate any concealed loss within 1-2 days of receipt. An immediate inspection by the carrier will be requested and a freight claim will be initiated.
2. When concealed damage is discovered upon unpacking, immediately make a written request via email to Customer Service. Include the necessary photos and warranty label information to ensure a quick resolution. See our "Warranty Process" document for example photos.

PLEASE NOTE THAT FREIGHT DAMAGE CLAIMS AND CONCEALED DAMAGE CLAIMS ARE NOT ACCEPTED WHEN DAMAGE IS TO THE CARTON ONLY.

If these instructions are followed carefully and complete, we guarantee full support of your claims to protect you against loss from concealed damage.

**Failure to store salvage items until the Claim Investigation is complete (90-120 days), will result in the carrier refusing to honor the claim.**

**Freight claims denied for the reasons of "NO SALVAGE AVAILABLE" will be invoiced back to the customer along with any ancillary freight Charges incurred.**
